MINUTES OF MEETINGS
OF THE
Board of Commissioners

APRIL, 1920

Newark, N. J., April 1, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The minutes of meeting of March 25, 1920, were read and approved.

Mayor Gillen: Is there any citizen desiring to be heard by the Board?

Mr. Henry Hahn, 9 Clinton Street, Newark: I would like to call your attention to a statement which appears on page 40 of the January, 1920, minutes of your Board referring to a complaint of Pincus Stein being mistreated in the Fourth Precinct Police Court. Mr. Silberman in his remarks says that "Information on Mr. Stein's matter was given to the Ledger by Alderman Henry Hahn, of the Third Ward, and I think that tells the story." I want to enter my most emphatic denial of the statement that I know anything of such action being taken by King Solomon Association. Mr. Silberman's statement is untrue, and I want to have it on public record. I do not want anything of that

sort to go uncontradicted, and I would like to have it put in short form on your minutes.

Dr. W. G. Hanrahan, 36a Fulton Street, Newark: I want to bring before your Commission a matter of vital importance to the welfare of all the people of our great community. I represent the Newark Tenants' League and the Essex County Rent Payers' Association. Our courts are being crowded with people who are being dispossessed by avaricious landlords, and one of the Judges of the District Courts refuses to give a trial by jury. Judge McMahon is the man. I have not received an affidavit to that effect, but people have brought this to my attention and I think he should be reprimanded if this is true. He cannot deprive these people of their constitutional rights. I would like to read two resolutions on this question:

WHEREAS, The Mayor's Anti-Rent Profiteering Committee have at times been unable to procure presence of owners of property where extortionate raises in rent has taken place, and some agency to meet this condition must be devised, therefore, be it

RESOLVED, That City Commissioners of Newark, N. J., request the City

Tax Board having plenary powers, to co-operate with the Mayors' Anti-Rent Profiteering Committee and issue summons to owners refusing to appear before said committees, be it further

RESOLVED, That owners refusing to appear be compelled to state cause why their taxes and property valuations should not be increased.

April 1, 1920.

Respectfully submitted,

W. G. HANRAHAN,

For Mayors' Anti-Rent Profiteering Committee.

WHEREAS, There is a great scarcity of dwellings in our city, bringing extreme hardships to the renting population, driving respected families from city and retarding our commercial, economic and humanitarian welfare in this crisis, through dispossession, extortionate raises of rent and greedy speculation, in many cases by aliens not even having declared their intentions to become citizens, having forced American families from their homes to the street, therefore, be it

RESOLVED, We, the City Commissioners of Newark, N. J., will arrange for a referendum vote of our people by ballot on special election, if possible, or at next regular election for the floatation of one million dollars to build neat, substantial, low-priced

homes for our people, as far as possible on city property or acquired property.

April 1, 1920.

Respectfully submitted,

W. G. HANRAHAN,

President Rent Payers' Association of Essex Co., Inc.

MAURICE ROSENKRANZ,

President of the Newark Tenants' League.

Dr. Hanrahan then read an ordinance entitled "An Ordinance requiring owners of property occupied for living purposes, their legal representatives or agents, to file with the City Clerk of Jersey City a copy of any notice served upon the tenant or occupant of such premises demanding the possession of such premises or increasing the rent thereof," which is now in effect in Jersey City, and urged that a similar ordinance be passed by the Board with certain amendments, and stated as a result of the passage of the ordinance in Jersey City, no more dispossessions were taking place there, and that the whole Legal Department of Jersey City are defending such cases.

Dr. Noah Geiger, 101 Wickliffe Street, Newark, appeared before the Board and urged the co-operation of the Board in the passage of the following bills now before the Legislature, which had the support of the

Essex County Rent Payers' Association and the Newark Tenants' League:
Assembly Bill No. 163.

Assembly Bill No. 455.

Senate Bill No. 192.

Assembly Bill No. 198.

Assembly Bill No. 199.

Assembly Bill No. 200.

Assembly Bill No. 206.

Assembly Bill No. 365.

Assembly Bill No. 452.

Assembly Bill No. 358.

Mayor Gillen: Some of these bills are very essential. Assembly Bills 199 and 200 are very good bills, and I think we should urge the passage of those bills.

Commissioner Monahan moved that the City Clerk communicate with our representatives in the Legislature to urge action on Assembly Bills 199, 200, 163, 455, 365, 358 and 452.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr. Maurice Rosenkranz, 189 Charlton Street, Newark, representing the Newark Tenants' Association, appeared before the Board and urged the passage of an ordinance similar to the one now in effect in Jersey City, and stated the population in his neighborhood had been raised in rent beyond their means, and that something should be done so that landlords cannot evict tenants as easy as they do now.

Commissioner Monahan: Will the passing of an ordinance such as Jersey City has relieve the situation any?

Dr. Hanrahan: We feel an ordinance should be passed requiring landlords to file with the City Clerk a request for their increase, one copy to be handed to the Tax Office, and one copy to the Income Tax Department. If that was done and they wanted to exact a reasonable raise, it should be granted. A fair landlord could go there without the slightest fear of getting injustice.

Commissioner Raymond: Can't we revise the tax bills as they increase the rent. I think if they hold their property at such a high rate they should pay taxes on it. I think you will find that will check their enthusiasm.

Dr. Hanrahan: I think if a clerk from the Tax Office attended our meeting once a week to follow up these cases, that he could take note of property that is going up in value and report back to the office.

Commissioner Monahan moved that one of the clerks from the Tax Board sit with the Rent Profiteering Committee once a week and report back to the Tax Office.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Dr. Hanrahan: I think if that ordinance were carried out and these

landlords penalized, or their tax assessments increased, it would bring about the results. Chicago has a proposition under way to advance one hundred million dollars to get homes there and it will be a great benefit to Chicago. I think this city should pass a bond issue of a million dollars to relieve the housing situation.

Commissioner Archibald: We cannot do that without legislative action. There are bills in the Legislature now providing for this.

Commissioner Monahan moved that the Board adopt an ordinance similar to that of Jersey City requiring landlords to report all cases of rent increases and evictions to the City Clerk, and that the Law Department be instructed to look into the legality of such an ordinance under the City Charter and have ordinances prepared for introduction at the next meeting of the Board if the Board has power to pass such an ordinance.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Dr. Hanrahan: One more thing, that is, we would like the co-operation of all of the Commissioners in the defense of these people who have no homes to go to and ask for a trial by jury, and that the Legal Department be asked to help them the same as is done in Jersey City, and we ask your co-operation to furnish legal talent and insist that the trials go on the calendar. If the Jersey City courts interpret the law more favor-

ably toward tenants, I cannot see why the same interpretation cannot be made by our Judges.

Mr. Congleton: The courts have been granting trials by jury if request is filed within the time fixed by statute. The court has no discretion in the matter. It is your right, if you make your demand within the time fixed by law, or one day before the return day of the summons.

Mr. Bernard Warstein, 66 Mercer Street, Newark, also appeared before the Board and suggested as a remedy for the housing problem the building of co-operative plan homes.

Mr. Robert W. Mulhern, 204 Sherman Avenue, Newark, appeared before the Board and stated he was served with a dispossession notice, and requested a trial by jury and paid the Clerk of the Court \$5.75, that he had seen Mr. Kussy, of the Law Department, for the purpose of having him defend him, and that when he got down stairs in front of the courtroom Mr. Kussy told him he had no case and that the Judge would ask him for a statement of facts and throw the case out.

Miss Rose Weiss, 47 West 42nd Street, New York City, stated she had several cases to bring before the District Courts and had been informed it was not necessary to pay any fee and that when she appeared in court this morning was told her cases were not on the calendar because she had not paid the necessary fees.

Mr. Nathan Kussy, Law Department: I was informed at ten minutes to ten this morning that someone had a tenancy matter pending in court. I consulted with the gentle-

man who has just appeared before this Commission and informed him that with the facts as presented to me there was no legal defense in the proceedings, and I told him in all probability if the case were tried the Judge would direct a verdict in favor of the landlord on the facts presented, as he had no legal defense. I informed him that the Judges permit the juries in all cases to pass upon questions of fact, but if there was no question as to facts and it appeared from statements in the case and from the admitted facts that it was purely a question of law, that the court would decide the question, and if there is no legal question direct the verdict. I thereupon took up the matter with the attorney for the landlord and induced him to permit this party to remain until May 1st. I wish to state, Mr. Mayor, it seems to me, after appearing in court for five months, that the disposition of the Judges in general is fair. In the five months I have been appearing in District Courts on behalf of tenants, 95 per cent. of those cases have been decided in favor of the tenants. The unfortunate element in these cases is that the law as it exists at present is unjust to tenants and for that reason bills have been introduced in the Legislature to remedy this, but from my experience the Judges of the District Courts act fair and justly to tenants.

Commissioner Raymond: It might be well for the Law Department to find out under what theory the Jersey City Courts are working and present that theory to our Judges, and I would suggest that the matter be taken up with the Jersey City authorities to ascertain what their theory is.

Mr. Henry Hahn, 9 Clinton Street, Newark, appeared before the Board representing the Federation of Improvement Associations and requested the Board to take some action on the proposed jitney regulation measure. I think this law should be discouraged and this Commission should do everything in its power to see that this law is not passed. The Public Utilities Commission has shown it is thoroughly incompetent to take care of its present duties. From all sides you hear complaints against them. We want this Utility Commission removed, and besides that we want this law that puts the jitneys under the Public Utilities Commission defeated. We want home rule and we feel we have a Commission here in Newark that is competent to handle the jitneys.

Commissioner Raymond moved that the Board present a memorial to the Legislature protesting against this interference with our internal government.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond moved that the ordaining clause of "An Ordinance to provide for the grading, curbing, flagging and paving with concrete of Wolcott Terrace from Hawthorne Avenue to Clinton Place," be struck out.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond offered the following ordinance which was read by the clerk:

An Ordinance to provide for the grading, curbing and paving with concrete pavement of Goldsmith Avenue from Clinton Place to Bergen Street.

The Board of Commissioners of the City of Newark, do ordain:

Section 1. That Goldsmith Avenue from Clinton Place to Bergen Street shall be graded, curbed and paved with concrete pavement, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the above work, including the laying of concrete sidewalks at street intersections, and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed, or may become necessary or expedient; or the grade of which may be affected on account of the laying of the pavement, or the setting, or resetting of the curb, including the laying of the necessary sewer and water connections to the curb lines, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P. L. 1917-319), and the supplements thereto, and amendments thereof.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvements in proportion to the benefits received.

Section 2. That this ordinance shall take effect immediately and all

ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Raymond moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond moved that the ordinance be taken up on third reading and final passage on April 8th, 1920.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The roll being called, the resolution was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond.

Nays — Mayor Gillen.

WHEREAS, A contract was awarded April 3, 1919, by the City of Newark to

the Newark Paving Company for the repaving of Springfield Avenue, from Morris Avenue to the Newark-Irvington line with napped, reclipped granite block pavement on the old concrete foundation, built up with additional concrete to make a total thickness of 8 inches of completed concrete base;

AND WHEREAS, At the request of a large delegation of Springfield Avenue property owners appearing before the City Commission on April 10, 1919, claiming they were unaware of the passage of the ordinance authorizing the improvement and on account of the high taxes and other burdens, they asked to have the work laid over until late in the fall of 1919, in order to delay as long as possible an assessment on the property owners for the completed pavement;

AND WHEREAS, There has been a decided advance in the cost of labor and paving materials during the past 12 months, the advance in price of broken stone, sand, cement, common brick for basins, and above all granite curbing at the quarries, being particularly great, making the cost of the work to the contractor many thousands of dollars greater than if he were allowed to proceed with the work at the time of the award of the contract in April, 1919;

AND WHEREAS, The condition of the present pavement although bad, especially over trenches recently opened, is not dangerous to traffic, and can at a moderate expense be kept in repair by the city for a few years until the present high prices will be succeeded by more moderate prices, permitting the use of new granite blocks for the repaving of the street, at no additional cost to the property owners than provided for under the present contract;

THEREFORE, BE IT RESOLVED, That the contract between the City of Newark and the Newark Paving Company for the repaving of Springfield Avenue, between Morris Avenue and the city line with napped reclipped granite block pavement on the old concrete foundation built up with new concrete to make a total thickness of concrete base of 8 inches, be and the same is hereby rescinded.

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Raymond moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald moved that the ordinance be taken up on third reading and final passage April 8th, 1920.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The following communication was received and read:

AMERICAN RELIEF COMMITTEE
FOR HUNGARIAN SUFFERERS

Hotel McAlpin, New York City

To the Honorable Mayor of the
City of Newark and to the
Commissioners of the City:

We, the undersigned, American citizens of Hungarian extraction, and residents of the City of Newark, N. J., do humbly apply to the Hon. Mayor and Commissioners of the City of Newark as to grant us a week called "Hungarian Week" for the purpose to raise \$50,000.00 for helping the starving children in Hungary.

The American Relief Committee for Hungarian Sufferers, of which we are members, is a part of the American Relief Administration European Children's Fund of which Herbert Hoover is Chairman. This Hungarian Committee has undertaken to finance the

entire program for feeding 100,000 or more children in Hungary, and for supplying complete clothing outfits for 40,000 or more. This program requires an expenditure of about One Million Dollars. Mr. Hoover has given his unreserved support to the Hungarian Committee.

The American Relief Committee for Hungarian Sufferers has already raised \$500,000.00 for its magnificent purpose. Every cent collected by the committee is sent to Mr. Hoover and against it he established feeding stations in Budapest and other parts in Hungary. Today there are 251 feeding stations in Hungary giving one square meal for 115,610 hungry children.

It is stated by Dr. John Bokay, a child specialist of European reputation, that since November 26th, 1919, when the Hoover Administration established the first feeding station in Budapest for children the death rate dropped from 97 per cent. to 31 per cent.

The Hungarians of Newark are anxious to participate in this magnificent, godly movement. Their aim is to raise \$50,000. The plan is to form different committees: American, Hungarian, Ladies, Business Men, etc. Committees for raising the said sum. They also wish to have a "tag day."

For this we, as delegates of the Hungarians of Newark, humbly request you to sanction our movement and give your valuable assistance to us.

Respectfully yours,

Paul Germannus,
Andrew Szilagyi,
John L. Litany,
William Kauwitz.

Mayor Gillen: There is a delegation here representing the Hungarian So-

cieties to take up with the Commission the question of a drive for starving children of Hungary.

Rev. Andrew Szilagyi, 71 Hawthorne Avenue, Yonkers, New York: I represent the American-Hungary Society for Relief in Hungary, of which Mr. Herbert Hoover is Chairman. It is our purpose to conduct a drive for \$50,000 with which to send food and clothing to the starving children and women of Hungary. Of course, a state of war still exists between the United States and Austria-Hungary, but we have had a conference with Mr. Hoover and he has endorsed the movement and has promised to establish food stations in Hungary. We do not intend to send money there, but food and clothing. When I was there in December and January I saw children dying on the street for the want of food. I asked one of the prominent doctors there what could be done for these children and was told that the only thing they needed was food, that they were not sick but were dying of starvation, and there was no other way of saving them but by giving them food. We have already raised \$600,000 with which we have sent food to these poor children, and as a consequence the death rate has dropped from 97% to 31% and the American-Hungarian people in Newark now ask the support of the Mayor and Commissioners to have the week of April 19th to 25th set aside for a drive to aid these starving children.

Commissioner Monahan moved that this request be granted and that the members of the Commission give all their moral support in the undertaking.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Brennan: Mr. Mayor, I have just one matter I desire to bring before the Commission. In looking over the Legislative Manual it reports Assembly Bill 143 as having passed the House. That is the bill known as the Police and Fire Pension. I know this virtually amounts to political suicide for me, gentlemen, but I am against the Police-Fire pension bill that has passed the House. It imposes upon all the municipalities of the State to make up any deficit that may arise and giving at the same time retirement at the age of 50 years after 20 years of service without any opportunity of vetoing such an application that is made. We cannot stop it if this bill becomes a law and anyone 50 years of age can apply for a pension in the morning and be placed on the pension list on half pay. I think it is an unfair proposition to the city. I feel it is imposing upon municipalities, especially Newark, burdens that it should not be called upon to assume at this time. It has passed the House and goes to the Senate. I think this body, as the governing body of the city, should request a hearing to be given by whatever committee it is referred to in the Senate and some action taken by the Board of Commissioners relative to their stand upon the proposed measure. It imposes upon the city the payment of 4 per cent. of the annual salary of every member of the departments, and in addition to that mandatorily makes the city responsible for any deficit that may exist in the pension funds. It imposes upon the members of the departments 2 per cent. of their salary to be paid to the Commission, but it is imposing upon the city an additional 2 per cent. of salaries

and any deficit that may arise I think it is a bill that should not be allowed to go by without some consideration being given to it by the Board of Commissioners.

City Counsel Congleton: A man on the police force now, if he is not injured in the discharge of his duties, or if he dies from natural causes or sickness not in the discharge of his duties, at present he would have to be a member of the police force nine years, and this wipes that out.

Commissioner Brennan: I would not view that particular phase of the proposed legislation as seriously as I would for the city having to make good any deficit and the 50 year retirement. Some of the best men in the department today are 50 years of age and over.

City Counsel Congleton: The Commission that has been investigating it have figured it will cost Newark, without creating a reserve fund to meet pensions, 19 to 20 per cent. of the payroll to carry these pensions, and they tried to get together on a compromise between Bill 143 and Pierson's 108 and I understand Mr. Pierson gave in on certain things and he supposed that his bill was coming out as a substitute and instead of that original 143 came out and passed in its original form.

Acting Auditor Brady stated the cost to the city for the first year would be between \$600,000 and \$700,000.

Commissioner Brennan moved that the City Clerk be requested to ask for a hearing on Assembly Bill 143 by whatever committee it has been referred to; that we are opposed to it in its present form and before reporting it out the Commissioners would like to

have a hearing on it, and that a copy of this motion be furnished to each member of the Senate.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The following communications were received and read:

Newark, N. J., March 31, 1920.

The Board of Commissioners of
the City of Newark,
City Hall, Newark, N. J.

Honorable Sirs:

With reference to the reclassification of titles and standarization of salaries of city employees, the work of the committee is in such shape that we feel it is feasible for you to proceed with the adjustment of salaries within the grades specified in our reports that have been supplied to each Director. This method of procedure meets with the approval of the Civil Service Commission.

We most respectfully suggest that you permit us to confer with you within the next few days so that you may be in a position to submit these changes in resolution form effective as of April 1st, at a meeting of the Commissioners on Thursday, April 8th, 1290.

This is respectfully submitted.

Respectfully,

A. K. Brady,
W. J. Egan,
John W. Judson.

Mayor Gillen I think this is a very important matter; it is to my department, especially the employees in the City Hospital and Boys' Home, and I think this Commission should confer with the Standardization Committee before the next meeting so that we can be prepared to make changes at the next meeting of the Commission.

Commissioner Archibald moved that the Board meet with the Standardization Committee in conference on Tuesday morning, April 6th, in Mr. Brady's office at 10 o'clock.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

PURE AMERICANISM

104 Stratford Place

Newark, N. J., March 29, 1920.

The Honorable Board of
City Commissioners,
City Hall, Newark, N. J.

Honorable Sirs:

In view of the very critical condition obtaining here in Newark, because of the dreadful lack of proper housing facilities and in the absence of the Americanism necessary to bring about the desired quick action from private interests, in the matter of properly providing proper housing for those in need, I, as a city-loving and citizen-loving citizen, most humbly appeal to you to use your good offices in a strenuous endeavor to get at least two thousand homes built in Newark for the needy.

In view of what has been said I suggest that these homes be built by the City of Newark, owned and controlled by the City of Newark.

Gentlemen, if we can get ready quickly for war and death, surely we can get ready more quickly for peace and life. As Americans we must show more real interest in the common people. We must realize that one man has as much right to be happy as another, we must realize that it is our duty to help up and not to keep down.

Those who have should readily help those who have not and are nevertheless deserving. In an effort to serve all thoughts of selfish profits should be abandoned.

Gentlemen, in making this appeal to you I am speaking for thousands of other Americans here in Newark. I therefore ask your genuine consideration for the common interest of our city.

Wm. H. Maxwell.

Ordered acknowledged, received and filed.

OFFICE OF THE CITY CLERK

Newark, N. J., March 29, 1920.

The Board of Commissioners of
the City of Newark,
City Hall, Newark, N. J.

Honorable Sirs:

At a conference of the Board of Commissioners and city officials of the City of Newark held today, the following bill was considered and referred to your honorable body for consideration: Assembly Bill 536.

Very truly yours,

W. J. Egan, City Clerk.

Commissioner Monahan moved that the Commission go on record as approving this bill.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

ANNUAL REPORTS

The following annual report for the year 1919 was received:

Department of Revenue and Finance for the year 1919.

Commissioner Archibald moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Approved:

CHARLES P. GILLEN,
THOMAS L. RAYMOND,
WILLIAM J. BRENNAN,
A. ARCHIBALD,
JOHN F. MONAHAN,

Board of Commissioners of
the City of Newark, N. J.

W. J. EGAN,
City Clerk.

NEWARK, N. J.

April 8th, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present—Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The minutes of meeting of April 1, 1920, were read and approved.

The following petition was received from W. R. Capps, of 100 Bloomfield Avenue, Newark, N. J., which was read and ordered filed:

April 7, 1920.

To the Honorable,

The Board of Commissioners
of Newark, New Jersey.

The petition attached hereto, and signed by qualified electors of the City of Newark, is a protest against the proposed action of your honorable body, namely, to add, by ordinance, 50 per cent. to the salaries now enjoyed by the said Commissioners.

1. Because, considering the services rendered the city, you are now well paid.

2. Because, any city official, duly elected by the people, to an office the salary of which is fixed by law, should not seek to increase that salary during the term for which he is elected.

3. Because, in arbitrarily increasing your salaries, you are violating the spirit of home rule.

An answer can be made to any one of the petitioners.

(Signed by 102.)

Commissioner Raymond offered the following ordinance which was read by the clerk:

An ordinance to provide for the grading, curbing, flagging and paving with concrete pavement of Wolcott Terrace, from Hawthorne Avenue to Clinton Place, the portion from Hawthorne Avenue about 122 feet southerly to be paved on each side of the street railway track with the exception of eighteen (18) inches on each side of said street.

The Board of Commissioners of the City of Newark, do ordain:

Section 1. That Wolcott Terrace, from Hawthorne Avenue to Clinton Place shall be graded, curbed, flagged and paved with concrete pavement, the portion from Hawthorne Avenue about 122 feet southerly to be paved on each side of the street railway track with the exception of eighteen (18) inches on each side of said track, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the above work, including the laying of concrete sidewalks at street intersections, and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed, or may become necessary or expedient, the grade of which may be affected on account of the laying of the pavement, or the setting, or resetting of the curb, including the laying of the necessary sewer and water connections to the curb lines, under and by virtue of the provisions of an act entitled, "An act concerning municipalities," approved March 27, 1917 (P. L. 1917-319), and the supplements thereto, and amendments thereof.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

A. Archibald,
Thomas L. Raymond,
Charles P. Gillen,
William J. Brennan,
John F. Monahan.

WHEREAS, John C. Howe, Deputy Clerk of the First Criminal Court, has tendered his resignation as Deputy Clerk of the said Court, to take effect April 15, 1920:

The roll being called, the resolution was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald offered the following resolution:

THEREFORE, BE IT RESOLVED, That the resignation of John C. Howe, Deputy Clerk of the First Criminal Court, to take effect April 15, 1920, be accepted.

William J. Brennan,
Thomas L. Raymond,
A. Archibald,
John F. Monahan.

The roll being called, the resolution was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond: Mr. Mayor, there seems to be some persons in favor of the paving of Huntington Terrace. I think I will move to reconsider the motion I just made to strike out the title of this ordinance.

Commissioner Raymond moved that the ordinance for the repaving of Huntington Terrace be laid over for two weeks.

The roll being called, the motion was declared adopted by the following votes:

Yeas. — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Raymond offered the following resolutions:

RESOLVED, That it is the intention of the Board of Commissioners of the City of Newark, N. J., under and by virtue of the provisions of an Act entitled "An Act concerning municipalities," approved March 27, 1917, (P. L., 1917-319) and the supplements thereto, and amendments thereof, to order and cause the changing of the names of the following streets and highways:

Wilbur Avenue from Elizabeth Avenue to Bergen Street to be changed to Hobart Avenue.

Goldsmith Avenue from Elizabeth Avenue to Clinton Place to be changed to Depue Avenue.

Pomona Avenue from Elizabeth Avenue to Clinton Place to be changed to Putnam Avenue.

And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause such improvements to be made, and that all persons whose lands may be affected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on April 29th, 1920, at 11 o'clock A. M., at which time and place ordinances for the making of such improvements will be considered.

Thomas L. Raymond,
A. Archibald,
William J. Brennan,
John F. Monahan.

The roll being called, the resolution was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

WHEREAS, Prior to 1870 Legal Street from the westerly line of Frelinghuysen Avenue to the easterly line of Meeker Avenue was shown on certain maps of Clinton Township, but has not been recognized nor referred to in any way since 1870:

AND WHEREAS, The above mentioned street has never been accepted or opened by the City of Newark;

AND WHEREAS, Application has been made to this Board of Commissioners to release and extinguish the public right, if any, arising from such dedication;

AND WHEREAS, Under the provisions of Article 22, Section 4, of an act of the Legislature of the State of New Jersey, entitled "An Act Concerning Municipalities," approved March 27th, 1917, and the acts amendatory thereof and supplementary thereto, to release and extinguish the public right arising from such dedication;

AND WHEREAS, It appears to this Board of Commissioners that said Legal Street will not be a public benefit and that the public interest will be better served by releasing said lands from such dedication;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark that an ordinance releasing and extinguishing the public right arising from the dedication of that portion of Legal Street from the westerly line of Frelinghuysen Avenue to the easterly line of Meeker Avenue, as shown on a map on file in the office of the Chief Engineer, known as No. 1226-V, be taken up for consideration on final passage at a meeting to be held on Thursday, April 29th, 1920, in the Board meeting room, second floor, City Hall, at 11 o'clock A. Thomas L. Raymond,
A. Archibald,
John F. Monahan.

The roll being called, the resolution was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr James Byrne, 166 Morris avenue, Newark, appeared before the Board in behalf of his brother formerly employed at the Newark City Home who was injured by a fall on an ice pond, at the City Home, in the performance of his duties on February 3rd, 1907; that in 1907 his brother was advised that he had been placed on the payroll for \$10.00 per week and that as a result of the accident he was a cripple for life and requested the Board to reconsider his case and increase his compensation, that he had seen the Mayor and had been told he did not think it would be possible to increase his brother's pay.

Commissioner Raymond: It is purely a departmental matter. I think a man injured in the City's employ should be taken care of and I would be perfectly willing to vote for a resolution to increase his compensation. I think the Mayor could recommend it.

Mayor Gillen: I do not see how we can do anything to increase it.

Commissioner Archibald offered the following resolutions:

RESOLVED, That the compensation of Gertrude E. Brede, Clerk-Stenographer, First District Court, be and the same is hereby fixed at \$1,380.00, effective as of April 1st, 1920.

Chapter 58, Laws of 1920

State of New Jersey.

An Act to amend an act entitled "An Act concerning District Courts (revision of 1898)," approved June fourteenth, one thousand eight hundred and ninety-eight, and the several supplements and acts amendatory thereto.

Be It Enacted by the Senate and General Assembly of the State of New Jersey:

1—Section ten of the act to which this is an amendment is hereby amended to read as follows:

10. For their services the several sergeants-at-arms shall receive from the clerks of the court the fees hereinafter provided, and for attendance upon the sessions of the court they shall receive as follows:

In counties having two hundred and fifty thousand or more inhabitants, an annual salary of twelve hundred dollars.

In counties having between ninety thousand and two hundred and fifty thousand inhabitants, an annual salary of nine hundred dollars.

In counties having between sixty thousand and ninety thousand inhabitants, an annual salary of six hundred dollars.

In counties having between twenty-five thousand and sixty thousand inhabitants, an annual salary of four hundred and fifty dollars.

In counties having less than twenty-five thousand inhabitants, an annual salary of three hundred dollars; provided, however, that if there are any constables in any of the aforesaid counties now acting as such sergeant-at-arms, they shall receive the same compensation as herein provided for for sergeants-at-arms.

Said sums to be paid semi-monthly by the cities in which such courts are established or by the county collector of any county in which the judicial district may be established.

2—All acts and parts of acts inconsistent with this act are hereby repealed, and this act shall take effect immediately.

Approved March 30th, 1920.

STATE OF NEW JERSEY

Department of State.

Overseer of the Poor for January and February, 1920.

Auditor of Accounts for March, 1920.

Commissioner Brennan: Mr. Mayor, a week ago today we took action requesting a hearing from the members of the New Jersey Senate on House Bill 143, known as the Police and Fire Pension Bill, because of its bad effect upon the City of Newark, and yesterday afternoon, under suspension of the rules, I understand the bill passed the Senate. It is now on its way to the Governor, if not

there already I am informed by the City Auditor that it means the raising in some manner or other from \$75,000 to \$80,000 to comply with the provisions of this bill for the remainder of this year. It will mean a year hence and each year thereafter an increase in the tax budget, figured by some people, of a sum of \$67,000. I, this morning, personally sent a telegram to the Governor requesting a hearing on this bill before he signs it. I am bringing the matter to the attention of the Commissioners so that it may not be said that it has gone over and going to impose this financial burden upon the City without the Commission doing everything it can to try and get from under it. I feel that it is an unfair attitude by this organization to impose this additional financial burden on the City and there are other portions of the bill that are vicious to say the least. As an illustration, a man may retire at the age of fifty years. This is mandatory. A man may join the department today and become disabled and tomorrow is eligible to pension on half pay under the provisions of the bill. The city is compelled to make up any deficit that may exist, as well as having to pay four per cent. of the salaries of all those employees into this fund. I feel this Commission should request the Governor to give them a hearing on the proposition so far as it affects the city financially. I feel it is a problem that is a serious one to the city. We have in both departments approximately 235 men that can retire if they so elect. There are approximately 118 in the Police Division alone. I have not the figures for the Fire Division alone. They can retire on their own volition and we have to give them half pay without

a word to say as to whether we desire them to retire.

Commissioner Monahan moved that the City Clerk be requested to telegraph to the Governor that we are opposed to the Bill and request a hearing on it before he signs it.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Brennan: Now, Mr. Mayor, if such a hearing is given by the Governor, is it understood that the Commissioners desire to let someone represent them or go down as a body?

Commissioner Archibald moved that the City Counsel and Acting City Auditor attend this hearing with this Commission, if the request to the Governor is granted.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Archibald moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Newark, N. J., April 15, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Absent: Commissioner Raymond.

The minutes of meeting of April 8th, 1920, were read and approved.

The report of the Commissioners of Assessments for local Improvements on assessments for the repaving of Niagara street was read by the Clerk.

Mayor Gillen: Is there any citizen desiring to be heard on this matter?

Mr. Louis Vicking, 15 Niagara street, Newark: I want to object to the repaving of that street. If the street had been kept in repair it would not have been necessary to repave the street. The property owners in that particular block where I live do not receive any benefit from

a word to say as to whether we desire them to retire.

Commissioner Monahan moved that the City Clerk be requested to telegraph to the Governor that we are opposed to the Bill and request a hearing on it before he signs it.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Brennan: Now, Mr. Mayor, if such a hearing is given by the Governor, is it understood that the Commissioners desire to let someone represent them or go down as a body?

Commissioner Archibald moved that the City Counsel and Acting City Auditor attend this hearing with this Commission, if the request to the Governor is granted.

Newark, N. J., April 15, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Absent: Commissioner Raymond.

The minutes of meeting of April 8th, 1920, were read and approved.

The report of the Commissioners of Assessments for local Improvements on assessments for the repaving of Niagara street was read by the Clerk.

Mayor Gillen: Is there any citizen desiring to be heard on this matter?

Mr. Louis Vicking, 15 Niagara street, Newark: I want to object to the repaving of that street. If the street had been kept in repair it would not have been necessary to repave the street. The property owners in that particular block where I live do not receive any benefit from

this repaving The Celluloid Company who occupy the other side of the street get all the benefits. They have their heavy trucks come in there and they are the ones who practically ruined the street, and I feel it is an injustice after we paid to have the street paved eight or ten years ago to be compelled to pay another full assessment now.

Mayor Gillen: Do you object to the assessment?

Mr. Vicking: Yes, I think the assessment is too high for the benefit we have had out of the street.

Mrs. J. Colgan, 323 Ferry street, Newark, appeared before the Board in behalf of Michael Newberger, owner of property at 67 Niagara street, and objected to the amount of the assessment for the repaving of Niagara street.

Mr. Henry Groninger, 69 Niagara street, Newark, protested against the assessment for the repaving of Niagara street, on the ground that it has only been eight years since he was obliged to pay for the original paving of the street.

Mr. Sandor Skarka, 63 Niagara street, Newark, protested against the assessment for the repaving of Niagara street on the ground that it was excessive.

Mr. Louis Vicking, 15 Niagara street, Newark, entered protest against the assessment for the repaving of Niagara street on behalf of Mrs. Augusta Henn, owner of property at 17-19 Niagara street, on the ground that the assessment was excessive.

Mr Frank Jazak, 71 Niagara street, Newark, also protested against the assessment for the repaving of Niagara street on the ground that it was excessive.

Commissioner Archibald moved that action on this matter be postponed for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

The report of the Commissioners of Assessments for local improvements on assessments for the resurfacing of South Tenth street from Avon avenue to Springfield avenue was read by the Clerk.

Mayor Gillen: Is there any citizen desiring to be heard on this assessment. If not, I declare the hearing closed.

The report of the Commissioners of Assessments for local improvements on assessments for the repaving of Ridge street from Berkeley avenue East to Elwood avenue East was read.

Mr. W. C. Stinson, 475 Ridge street, Newark: I am here for information. Where property has been assessed for street pavement, how long does that hold good, or in other words, where property has been assessed, how many years must elapse before property can be re-assessed for paving?

Mayor Gillen: There is no period as to when you may be re-assessed. You can be re-assessed two, three or

five years after The pavement is guaranteed by the company that lays it for a period of five years. They have to keep it in repair during that time, but there is no period as to when you may be re-assessed.

Mr. Stinson I have been told unofficially that where you were assessed on property for street pavement, that held good for twenty years before they could assess you again.

Mayor Gillen: No, there is no period as to when you may be re-assessed.

The report of the Commissioners of Assessments for local improvements on assessments for the paving of Clinton avenue from the West Newark Branch of the Pennsylvania Railroad to the east side of Chadwick avenue was read by the Clerk.

Mr. Jacob Seideman, 484 Clinton avenue, Newark: I feel we are pretty much assessed at the present time, and considering the heavy jitney and trolley traffic at this point and the revenue the City gets from the jitneys and trolleys, I think the City should stand the larger share of the assessment.

Mayor Gillen: About 35% of the cost goes upon the City at large and 65% on the property owners. That is a much higher percentage than is usually placed on the City at large.

Mr. Seideman: Under the circumstances I feel the City should be a little more liberal toward property owners. We are being pretty well assessed on property at the present time.

Mayor Gillen Mr Dimond informs me there were no objections at the hearing given by the Assessment Commission on the Clinton avenue paving, and that everybody received a notice.

Mr. Louis Rose, 480 Clinton avenue, Newark, appeared before the Board and protested against the proposed assessment, and stated the City should pay the greater share, or two-thirds of the cost.

Mrs. Fink, 482 Clinton avenue, Newark, appeared before the Board and also protested against the greater portion of the assessment for the paving of Clinton avenue being levied against property owners and stated the greater share of the cost should be borne by the city at large.

Commissioner Monahan moved that the matter be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Commissioner Brennan offered the following ordinance which was read by the Clerk:

An Ordinance to provide for the paving and flagging of Ridgewood avenue between Hawthorne avenue and Runyon street with concrete pavement.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Ridgewood avenue between Hawthorne avenue and Run-

yon street be paved and flagged with concrete pavement with the necessary new curbing or resetting of curb, together with all the other appurtenances incidental to the repaving of said street including the laying of concrete sidewalks at street intersections, and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement, or the setting or resetting of the curb, including the laying of the necessary sewer and water connections to the curb lines.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

Sec. 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

The Clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage on April 22nd, 1920.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

The following communications were received and read:

COUNTY OF ESSEX, NEW JERSEY

Office of County Engineer
Court House, Newark

April 13, 1920.

To all Municipalities in the
County of Essex, New Jersey.

Gentlemen:

On Friday, April 9th, a conference was held by the Board of Chosen Freeholders of Essex County in reference to the road programme to be adopted by the County for the year 1920.

I was directed at the conference to communicate with the several municipalities in the county stating that the Board believes that hereafter the municipalities should contribute not less than twenty-five per cent. (25%) of the cost of any road improvement on any road to be taken over and improved under joint agreement with said municipalities.

Further, that if this municipality is interested in having the county take over for improvement any road, that the county will be willing to consider the improvement of any such road on the receipt of a petition agreeing to pay twenty-five (25%) per cent.

The Committee on Roads, Assessment and Speedway, which has this matter before it, will meet on Monday, April 19th, at 2 P. M. at the Court

House, Newark, N J, at which time they will be glad to discuss the matter fully.

Yours very truly,

F. C. Reimer,
County Engineer.

Mayor Gillen: I think this matter should be referred to the Department of Public Improvements with special notice to the Director that this meeting will be held on Monday, April 19th.

Commissioner Archibald moved that the communication be referred to the Department of Public Improvements, inviting the attention of the Director to the meeting on Monday, April 19th.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

STATE OF NEW JERSEY

Passaic Valley Sewerage
Commissioners
128 Market Street

Newark, April 9, 1920.

To the Mayor and Board of
Commissioners, City of
Newark, New Jersey.

Gentlemen:

I am directed by Passaic Valley Sewerage Commissioners to again call your attention to your indebtedness to this Commission, as outlined to you in a letter dated January 13, 1920, and to say to you that the Commissioners would appreciate your immediate attention to this matter.

Yours very truly,

J. H. Quigg, Secretary.

Commissioner Archibald: It is our understanding we owe them some money, but there are adjustments to be made on interest accounts and if we can get statements from them we are prepared to pay our share. Mr. Brady and I have figured out they owe us several thousand dollars. Mr. Brady had them on the telephone at the meeting the other day and we have been trying to get a statement from them.

Acting Auditor Brady: The Passaic Valley Sewerage Commission claim we owe them \$1,700,000, but there are adjustments to be made and I think it is about 66% of \$800,000 we are to get credit for, and I do not think we should pay them anything until we get that statement, which is for interest and charges of that kind. I saw in the paper they claim it is about \$800,000. When we get that money and statement and see what we owe them we can pay it back to them. We do not want to issue bonds and have the money laying on our hands.

Commissioner Monahan moved that the communication be received and referred to the Department of Revenue and Finance.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Commissioner Archibald: Mr. Mayor, in view of the fact that the Legislature has now defeated this Daylight Saving Bill I believe we should do something here in the city one way or the other to be uniform with Jersey City and New York and other municipalities surrounding Newark. It is causing a great deal of confusion because of the

difference in time. I think it could be worked out if the city of Newark would invite surrounding municipalities in a conference and have some uniform arrangement of either adopting daylight saving or go back to the old standard time.

Mayor Gillen: Why can't the concerns that want to save an hour open an hour earlier and close an hour earlier?

City Counsel Congleton: Nine-tenths of business houses are working on the new time. Newark and New York banks have adopted it.

Commissioner Archibald: I think we should go officially on record as favoring daylight saving, or go back to standard time. I would suggest we get uniform action with surrounding municipalities. Many of them have adopted daylight saving and as New York and Jersey City have adopted it, we being the largest city in the State, should take some action.

Commissioner Monahan: I think the proper place to take it up would be at the convention of the League of Municipalities at Atlantic City on April 23d.

Commissioner Archibald: I thought it would be a good idea to take it up with the towns surrounding us in Essex County and invite Elizabeth to come in and see what they think of the matter. We can then go to the convention in Atlantic City and see how many towns were represented there.

Mayor Gillen: I think it would be well to refer the matter to Commissioner Archibald to take up with the surrounding municipalities to take it up at the convention of the League of

Municipalities at Atlantic City on April 23rd. I am not in favor of it, but if it is going to work in with Jersey City and New York, our connections with those two cities are so close socially and with business, that we would probably have to work with them.

Commissioner Monahan moved that the Commission attend the convention of the League of Municipalities at Atlantic City on Friday, April 23d.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Mayor Gillen: I want to bring to the attention of the Board a matter affecting the Zoning Ordinance. All the down neck section east of the Central Railroad below Hamburg Place or Wilson Avenue has been placed in the Industrial District and the Balbach people have some lands on which they propose to build some houses. Under this Zoning Ordinance it seems these houses cannot be built. It is my recollection at the time we accepted this ordinance this piece of land owned by the Balbach people was excluded. The Balbach people tell me that was not done.

Commissioner Archibald: I think that was done.

Commissioner Monahan: If it has not been done we should amend the ordinance so that they can do it.

Mayor Gillen: This is not a case of putting a factory in a residential neighborhood, but permitting houses to be erected in a factory district.

Commissioner Archibald moved that the matter of permitting houses to be erected in the Industrial District of the Ironbound section be referred to the Zoning Commission and Law Department, to make a report at the next meeting of the Board and to have an amendment to the Zoning Ordinance prepared permitting the erection of dwellings in the Ironbound District.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Mayor Gillen: There is one more thing I would like to bring to your attention, that is the fatalities at the Heller Flying Field. If you will remember some time ago I offered an ordinance, but no action was taken on it. I think if that ordinance had been adopted at that time these accidents would have been avoided; for instance, the accident of Sunday would not have occurred as the ordinance would have prevented spectacular circus business on the part of any flier over the city. This accident shows the absolute need of an ordinance in the absence of a State Law. Some fliers have been in the habit of performing stunts where large crowds gather, and many death would result at a place such as the Velodrome where some 17,000 people are gathered if an aviator should come along and do some spectacular stunts and lose control of his machine and shoot down into the crowd. There should be an ordinance to prevent any circus business or stunts about the city.

Commissioner Brennan: The only thing I am wondering about is how are we going to get them. It may be

all right with respect to the men at the flying field, but those fellows who are flying between Long Island, Philadelphia and Washington. How are you going to tell who he is?

Mayor Gillen: I think an ordinance should be passed pending legislation by the State or Federal Government that would prevent stunt flying.

Commissioner Brennan: I might say, Mr. Mayor, the prosecutor is investigating this matter with the view of seeing what can be done to adopt some regulating measure.

Mayor Gillen: The same thing occurred in the regulation of automobiles, first the city regulated them by ordinance and then it was found the automobile was a long distance traveler and it was necessary to regulate them by state law and the State then passed laws that superseded most of the city ordinances and that is exactly what we should do with aeroplanes.

Commissioner Archibald moved that the City Counsel be requested to look into this matter and prepare a tentative ordinance prohibiting stunt flying within the city limits.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Mayor Gillen offered the following ordinance which was read by the clerk:

An ordinance requiring owners of property occupied for living purposes, their legal representatives or agents to file with the City Clerk of the City of

Newark a copy of any notice served upon the tenant or occupant of said premises, demanding the possession of such premises or increasing the rent thereof, and requiring the City Clerk to transmit copies of such notice to the Health Officer and to the Director of the Department of Public Affairs.

WHEREAS, The present lack of housing facilities and the inability of tenants, in many instances, to pay the increased rent demanded of them by their landlord, have resulted in the removal of numerous tenants from the rooms occupied by them and devoted to living purposes; and

WHEREAS, In numerous instances, the tenants thus removed have been unable to find housing accommodations for themselves and their families, and have been rendered homeless through such removal, whereby the health of such tenants and their children has been seriously menaced and their well-being seriously jeopardized; and

WHEREAS, The preservation of the health, safety and prosperity of the inhabitants of this city thus rendered homeless demands that a record be kept of tenants dispossessed or threatened with dispossession, to the end that ways and means may be devised toward assisting them as far as practicable;

NOW, THEREFORE, The Board of Commissioners of the City of Newark, do ordain:

1. A copy of every notice to quit or terminate a tenancy, and of every demand and notice in writing for possession of premises or for advance or increase in rent, given by any landlord or lessor, his legal representative, agents, or assigns to any tenant or

lessee of rooms, apartments, or premises occupied for living purposes, must be filed with the City Clerk of the City of Newark within two days after the service of said notice.

2. The City Clerk upon receipt of a copy of said notice, shall cause two copies thereof to be made, one of which he shall transmit forthwith to the Health Officer of the City of Newark, and one to the Director of the Department of Public Affairs.

3. Any landlord or lessee, his legal representative, agent or assign, who shall violate or neglect or refuse to comply with the provisions of section one of this ordinance, shall upon conviction thereof, pay a fine of Ten Dollars for the first offense, and Twenty-five Dollars for each subsequent offense.

4. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Archibald moved that it be taken up on second reading on April 22nd, and that a copy of the ordinance be furnished to each Commissioner.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

NEWARK, N. J.

April 22, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Council Chamber, City Hall, Newark, at 11 A. M.

Present — Commissioners Archibald,
Brennan, Monahan, Mayor Gillen.

Absent — Commissioner Raymond.

The minutes of meeting of April 15, 1920, were read and approved.

Mayor Gillen—Is there any citizen desiring to be heard by the Board?

Dr. W. G. Hanrahan, 36A Fulton street, Newark, appeared before the Board and commended the Commissioners on the work they had done with the Legislature resulting in the passage of laws to relieve the housing problem, and sought the further co-operation of the Board in the passage of a law that would permit the issuance by the City of a Million Dollar bond issue and allow the city to go into the building business, and asked that the Board give consideration to this bill and urge the Legislature to pass same.

Mayor Gillen: This Commission recommended the enactment of that Legislation, and so far as we were able, done everything possible to bring it about, but the Legislature, however, have not done it.

Mayor Gillen: The Board is now prepared to hear any citizen on the question of Niagara Street repaving.

Mr. Louis Vicking, 15 Niagara Street, Newark, appeared before the Board and renewed his protest of last week against the amount of the assessment for the repaving of Niagara Street.

Mayor Gillen: I do not think we can do anything on this matter today. The Director of the Department of Streets and Public Improvements is absent and we will have to lay it over for another week.

Commissioner Archibald moved that action on the report of the Commissioners of Assessments for Local Improvements for the repaving of Niagara Street be postponed for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald,
Brennan, Monahan, Mayor Gillen.

Mayor Gillen: The Board is now prepared to hear any citizen on the Clinton Avenue repaving.

Mr. Samuel F. Wilson, 476 Clinton Avenue, Newark, appeared before the Board and protested against the proposed assessment for the repaving of Clinton Avenue, stating that property owners have already paid one assess-

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald,
Brennan, Monahan, Mayor Gillen.

Mayor Gillen: The Board is now prepared to hear any citizen on the Clinton Avenue repaving.

Mr. Samuel F. Wilson, 476 Clinton Avenue, Newark, appeared before the Board and protested against the proposed assessment for the repaving of Clinton Avenue, stating that property owners have already paid one assess-

...to the paving of this street, and that while they felt willing to pay some of the assessment, he felt that the saddling of two-thirds of the cost on property owners is not fair, and in view of the heavy jitney, trolley and truck traffic on this thoroughfare, the City should stand at least two-thirds of the cost.

Mr. Arthur Nungesser, 501 Clinton Avenue, Newark, appeared before the Board and protested against the greater share of the cost for the repaving of Clinton Avenue being placed upon property owners, stating in view of the heavy traffic on this street the City should pay at least two-thirds of the cost.

Mr. Jacob Seideman, 484 Clinton Avenue, Newark, appeared before the Board and renewed his protest of last week against the greater share of the cost for the repaving of Clinton Avenue being placed upon property owners.

Mr. Charles Reitman, 485 Clinton Avenue, Newark, also protested against the greater share of the cost for the repaving of Clinton Avenue being assessed against property owners.

Commissioner Archibald moved that action on the report of the Commissioners of Assessments for Local Improvements for the repaving of Clinton Avenue be postponed for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Mr. John Casale, 98 Bloomfield Avenue, Newark, representing the American-Italian National Relief Fund, appeared before the Board and asked the support and co-operation of the Commission in a Tag Day to be conducted for Italian War sufferers next Saturday.

The matter of granting permission to conduct a Tag Day was referred to Commissioner Brennan.

An Ordinance to regulate aviation and the use of aeroplanes, flying machines, balloons and all other apparatus used for the purpose of navigating the air in and over the City of Newark.

The Board of Commissioners of the City of Newark do ordain:

Section 1: It shall be unlawful for any person or persons whatsoever to use or operate within or over the City of Newark any aeroplane, gas bag, flying machine, balloon, or any heavier than air or any mechanical contrivance used for flying unless he or they shall comply with the following regulations:

(a) It shall be unlawful to operate any such machine at a less height than 4,000 feet above the surface of the ground, except while the machine is in process of ascending from the ground or alighting thereon.

(b) No such machine shall be operated by a person other than the

holder of a license issued by the United States Government.

(c) No such machine shall pass over the central portion of said city.

(d) It shall be unlawful to throw or drop from any such machine any article or thing whatsoever. The throwing or distributing of printed matter or circulars from such machines is hereby prohibited, unless a license for such purpose shall have first been obtained from the City of Newark. The Department of Public Safety of the City of Newark is hereby authorized to issue to such and so many persons as may apply for the same licenses to distribute or drop printed or written advertising matter and circulars from such machines. The fee for such license shall be \$25.00, and any such licensee shall enter into bond to the City of Newark in the sum of \$1,000, with sufficient surety, to be approved by the Board of Commissioners of said City, and as to form by the City Counsel, which said bond shall be conditioned for the due observance by the licensee of all ordinances or regulations of said city which may be in force or thereafter adopted regulating or purporting to regulate such distribution.

(e) Every such machine when in use at night shall be equipped with lights, both fore and aft, and shall carry maps of its routes, compass and landing flares, which said flares shall be used when starting or alighting at night.

(f) It shall be unlawful for any person or persons to engage in any exhibition flight whatsoever in or over the City of Newark with any such machines without having first

obtained permission therefor from said Department of Public Safety.

Section 2: Any person, persons, firm or corporation convicted of violating this ordinance shall pay a penalty not to exceed \$100.00 for the first offense, and \$200 for each subsequent offense.

Routh Metals Company,

Newark, N. J., April 21, 1920:

To the City Commissioners of the
City of Newark.
City Hall, Newark, N. J.

Gentlemen:

As a citizen and taxpayer of the City of Newark, N. J., I hereby protest against any action being taken by you gentlemen to take advantage of the law passed at the present session of the State Legislature empowering Municipal authorities to sell at public or private sale lands bordering on navigable waters.

There are persistent rumors afloat that an attempt is about to be made by private interests (who wish to exploit this city) to purchase the water front lands that have been reclaimed by this city and known as the Port Newark Development for their personal profit, which if permitted by you gentlemen in the sale to them (these private interests) you will forever destroy Newark's chance of becoming a seaport and her only

chance of shipping her manufactured goods will be by and with the grace of the above mentioned private interests.

You gentlemen, whom I trust have the interests of Newark at heart (present and future), should never permit this valuable water front property to pass out of the possession of this city.

Respectfully yours,

OSWALD R. ROUTH,

Ordered filed.

30 Vincent Street,

Newark, N. J., April 12, 1920.

My dear Mr. Mayor:

I am requested by my neighbors who are property owners on Vincent Street to protest against a contemplated sewer which is to be used for surface water only.

We have always been assessed for two sewers which are used for house sewerage, and we do not see any necessity for having another, especially when labor and materials are so high. If sewer is a necessity now it was more of a necessity when the house sewers were built, when our street was a mud hole before it was paved, and when labor and materials were low as to cost of construction.

We all received a notification from the department of Streets and Public Improvements to be at a meeting at the City Hall on April 22, 1920, at 11 A. M.

Now, if your Honor pleases to instruct me what I should do in this matter, we the taxpayers and property

owners would thank you very much for so doing.

Are there any blank petitions in the City Clerk's Department which could be used for signatures against said sewer?

I beg to remain, my dear Mayor,

Yours truly,

Thomas J. Carrick.

Bond Street

Newark, N. J., April 16, 1920.

Mayor Charles P. Gillen,
City of Newark,
City Hall, Newark, N. J.

Friend Mayor:

We just received our 1920 tax bill. In connection with same I want to say that we have always paid our tax bills without argument; it has always been a pleasure to pay them in the past, but I am going to call your attention to a matter that has been dragging along since last Fall, and I trust that you will give it your personal attention.

We have bought property on Bond Street, there was lumber piled in the street; sheds were built in it; it was nothing more than a very poor alley. We cleaned this all out, and at the expense of over \$100 carted in cinders and made quite a respectable street out of it. It being only one block long, this was not a difficult matter. At our expense every Spring we have had a man wheel a few cinders

in and rake it up and clean up the street, trying to make it look half way decent and keep it in that condition.

For some reason people seem to think they have a perfect right to dump garbage and any kind of old waste material, or ashes or dirt on this street. We are enclosing letters that will show that we complained to the Fifth Police Precinct and the Board of Health and the Street Commissioner's office. They all flocked up here at the time of these complaints and told us just what they were going to do and passed the buck from one to another. Really the only result we got out of it was a notice from the Police Department to clean the snow off from our sidewalk. Of course, we do not know why we got this notice, but we do know that the ashes, etc., are still in the street and they still continue to dump in the street. Although we gave them the name of the man that was caught dumping in the street there was no action taken; that is far enough to remove any material that was dumped in the street. One end of Bond Street is half closed now with cinders and dirt, and I feel that we have not had proper attention nor proper co-operation or anything else from the different departments of the city to which we have complained.

It is not our desire to antagonize any of the departments that this matter is taken up with. We are willing to co-operate. We do not like to make anybody sore or make any complaints that are going to get anybody in trouble, but we do feel that we are entitled to a little more consideration that we have received.

Very truly yours,

I. R. Nelson Company,
I. R. Nelson.

Commissioner Archibald: Mr. Mayor, I would like to ascertain the sense of this Commission with respect to daylight saving. Are we going on record as favoring it? I would like to know so that I may know how far I can commit myself at the convention of the New Jersey League of Municipalities. I would like to know what I can say for the Commission.

Commissioner Monahan: I am in favor of it.

Mayor Gillen: I am in favor of it if it would work in with the Metropolitan District and traffic between here and New York.

Commissioner Brennan moved that the Commission of the City of Newark request the New Jersey League of Municipalities to go on record in favor of daylight saving as a State proposition.

The roll being called, the motion was declared adopted by the following votes:

Commission on Building Districts and Restrictions.

City Hall.

Newark, N. J., April 22, 1920.

Mr. W. J. Egan, City Clerk, City Hall,
Newark, N. J.

Dear Sir:

I am handing you herewith a copy of the report from the Commission on

Building Districts and Restrictions which was requested by the Board of Commissioners at the meeting held April 15, 1920.

Very truly yours,

R. B. RANKIN,
Secretary.

Commission on Building Districts and Restrictions,

City Hall.

Newark, N. J., April 20, 1920.

To the Honorable Board of Commissioners, Newark, New Jersey.

Gentlemen:

At a special meeting of the Commission on Building Districts and Restrictions this afternoon the matter of amending the Zoning Ordinance so as to permit the erection of dwelling houses in an unrestricted Industrial District, referred to us on appeal of the Balbach Smelting and Refining Company, was fully considered.

It was decided unanimously, on motion to recommend to your Honorable Board, the appeal be not granted and that the ordinance be not amended.

The members of this Commission were guided in their decision by the following arguments among others:

1. The proposed location for dwelling houses is in a section more than one mile from the nearest school building. If houses are erected the city must provide educational facilities.

2. The section of the city nearest the Passaic River and Newark Bay

is rapidly developing as one of the greatest chemical zones in the United States, with all its attendant atmospheric nuisances and health annoyances.

3. It is within a short distance of the open-air sludge tanks of the Passaic Valley Sewage Commission.

4. It is more than a mile from churches, stores or amusements.

5. It is in direct contradiction of the very spirit of the Zoning ordinance which seeks to segregate dwellings from unrestricted factories.

6. The Board of Appeals is on record as requesting that the Zoning ordinance be not amended for at least one year in order that we may give its administration a fair trial.

Respectfully submitted,

C. W. Feigenspan,
M. R. Sherrerd,
C. W. Baker,
John Howe,
Wm. P. O'Rourke,
C. Albert Gasser.

R. B. Rankin, Secretary.

Commissioner Archibald moved that this matter be taken up next week when the public hearing is given on the proposed amendment to the Zoning ordinance.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

County of Essex, New Jersey
Office of the County Engineer
Court House

Newark, April 16, 1920.

To the Cities of Newark, East
Orange and Orange.

Gentlemen:

Under recent date I sent you a circular communication addressed to all municipalities in the county in reference to division of cost for improvement of roads by the county under agreement with municipalities, in which it was stated that hereafter it would be expected that municipalities would pay not less than twenty-five per cent. of the cost.

In order that you may not be working under a misapprehension, I desire to advise you that this applies to county road development only and not to city road development. Conferences already held with your city have been on a basis of the county standing five-ninths and the city four ninths of the cost of any improvement, and it is not contemplated to change these figures.

Yours very truly,

Frederic A. Reimer,
County Engineer.

Ordered referred to the Director of
Streets and Public Improvements.

State of New Jersey
Board of Commerce and Navigation
75 Montgomery Street
Jersey City, N. J.

April 19, 1920.

Subject: Proposed extension of Pier-
head Line, New York side, Hudson
River.

A matter of the greatest importance to the waterfront and navigation interests of New Jersey is the application, now pending before the United States War Department and made by the Department of Docks and Ferries of the City of New York, for an extension of one hundred (100) feet outshore of the Pierhead Line on the Hudson River, between Pier 47 and West 72nd Street, New York City.

In order that the Board of Commerce and Navigation of New Jersey may know the attitude of those interested in the development of the waterfront of New Jersey, the Board will hold a public hearing on Monday, April 26th, 1920, at two o'clock P. M., in the Assembly Chamber, City Hall, Jersey City, N. J.

Respectfully,

Board of Commerce
and Navigation,

By J. Spencer Smith,
President.

Mayor Gillen: There should be someone there to represent the Board. New Jersey has always objected to the extension of these pier lines.

Commissioner Archibald moved that this Board oppose any permanent extension of pier lines in the Hudson River, and that Director Raymond be requested to have engineers at this meeting.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald,
Brennan, Monahan, Mayor Gillen.

Commissioner Archibald. Will it be in order, Mr. Mayor, to have the City Counsel prepare an ordinance on this daylight saving and have a hearing next Thursday?

Mayor Gillen: We could have an ordinance prepared.

Commissioner Archibald moved that the City Counsel be requested to prepare an ordinance on daylight saving and that a public hearing be held next Thursday at the regular meeting of the Board.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Commissioner Archibald moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

APPROVED:

CHARLES P. GILLEN,
WILLIAM J. BRENNAN,
A. ARCHIBALD,
JOHN F. MONAHAN,

Board of Commissioners
of the City of Newark, N. J.

W. J. EGAN,
City Clerk.

NEWARK, N. J.

April 29, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The minutes of meeting of April 22, 1920, were read and approved.

Mayor Gillen: The Board is now prepared to hear any citizen on the Clinton Avenue repaving assessment.

Mr. Arthur Nungesser, 501 Clinton Avenue, appeared before the Board and renewed his protest of last week against the larger share of the cost for the repaving of Clinton Avenue being assessed against property owners, claiming in view of the heavy jitney and trolley traffic on this street and the revenue the city derives from them, that the city should bear two-thirds of the cost.

Mr. Jacob Seideman, 484 Clinton Avenue, also appeared before the Board and renewed his protest against the greater share of the cost for the repaving of Clinton Avenue being assessed against property owners, stating that the repaving was necessary owing to the heavy traffic on this street and that it was no benefit to property owners.

Commissioner Raymond: I think we should consider these objections. I do not think we should decide on it this morning, but I think we should consider it. We are in the same

Commissioner Archibald. Will it be in order, Mr. Mayor, to have the City Counsel prepare an ordinance on this daylight saving and have a hearing next Thursday?

Mayor Gillen: We could have an ordinance prepared.

Commissioner Archibald moved that the City Counsel be requested to prepare an ordinance on daylight saving and that a public hearing be held next Thursday at the regular meeting of the Board.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

Commissioner Archibald moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Mayor Gillen.

APPROVED:

CHARLES P. GILLEN,
WILLIAM J. BRENNAN,
A. ARCHIBALD,
JOHN F. MONAHAN,

Board of Commissioners
of the City of Newark, N. J.

W. J. EGAN,
City Clerk.

NEWARK, N. J.

April 29, 1920.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The minutes of meeting of April 22, 1920, were read and approved.

Mayor Gillen: The Board is now prepared to hear any citizen on the Clinton Avenue repaving assessment.

Mr. Arthur Nungesser, 501 Clinton Avenue, appeared before the Board and renewed his protest of last week against the larger share of the cost for the repaving of Clinton Avenue being assessed against property owners, claiming in view of the heavy jitney and trolley traffic on this street and the revenue the city derives from them, that the city should bear two-thirds of the cost.

Mr. Jacob Seideman, 484 Clinton Avenue, also appeared before the Board and renewed his protest against the greater share of the cost for the repaving of Clinton Avenue being assessed against property owners, stating that the repaving was necessary owing to the heavy traffic on this street and that it was no benefit to property owners.

Commissioner Raymond: I think we should consider these objections. I do not think we should decide on it this morning, but I think we should consider it. We are in the same

rouble with every other street. It means people are going to pay for these street pavings in the general tax levy; then your taxes are going up.

Commissioner Raymond moved that the report of the Commissioners of Assessments for Local Improvements for the repaving of Clinton Avenue be laid over for two weeks.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr. Louis Vicking, 15 Niagara Street, Newark, appeared before the Board and protested against the proposed assessment for the repaving of Niagara Street, stating the old pavement was guaranteed for ten years and that property owners have only had twelve years service out of the old pavement.

Commissioner Raymond moved that the report of the Commissioners of Assessments for Local Improvements for the repaving of Niagara Street be laid over for two weeks.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr. Chas. A. Halgran, 20 Huntington Terrace, Newark, appeared before the Board and protested against the proposed paving of Huntington Terrace at this time, stating the majority of property owners were opposed to it.

Mr. J. Hillel, 234 Sixteenth Avenue, Newark, owner of properties 92 to 100 Huntington Terrace, appeared before the Board and urged that the proposed paving of Huntington Terrace be carried out, stating there were a number of property owners on this street prepared to build houses if the street was paved.

Mr. Abe Liebowitz, 396 Seymour Avenue, Newark, owner of 250 feet on Huntington Terrace, appeared before the Board and urged that the proposed improvement to this street be carried out, stating that he, together with a number of other builders were prepared to erect houses on this street if it is paved.

Mr. Harry Nungesser, 501 Clinton Avenue, Newark, protested against the paving of Huntington Terrace at this time, stating that the improvement was only desired by a few speculators and not by the majority of property owners.

Commissioner Raymond: We will never develop new land if we do not improve new streets. I should think you would want it paved. If you do not want to live there you can sell your property and get your money back. I think it should be paved. This pavement will boom your property and help you along in value.

Mayor Gillen: You have five years in which to pay it. You realize that property on a paved street has more value than that on a dirt street, and as soon as a street is paved property immediately rises in value.

Commissioner Raymond: I do not think we should retard this property. You are retarding and holding back the improvement of a section of the city at a time when we need all the housing

...e call get I would like to help you, but I do not feel I can vote to hold back the improvement of a street with living conditions as they are today. I would like very much to help you out, but I do not feel I can in this instance.

Mr. Charles W. Littlefield, 12 Leslie Street, Newark, appeared before the Board in the interest of the Clinton Hill Welfare Association and complained of a nuisance maintained by the International Coal By-Products Company, of Irvington, N. J., to the detriment of property owners in the Clinton Hill section, stating in the process of the reduction of their products a heavy black dust is emitted so that people in the neighborhood cannot open their windows or hang out clothes to dry without having to rewash them; also that during the process they throw off a gas that is suffocating, and requested that the Board take some action to abate this nuisance.

Mr. William James, 100 Fabian Place, Newark, also appeared before the Board and urged that some drastic action be taken by the Board with respect to the nuisance maintained by the International Coal By-Products Company.

Mr. Henry Hahn, 9 Clinton Street, Newark, representing the Federation of Improvement Associations, also urged that the Board take action with respect to the nuisance maintained by the International Coal By-Products Company.

Commissioner Raymond moved that this Board take up with the governing body of Irvington and demand that the Irvington authorities take action to abate this nuisance, and if this is not done that the Law Department be in-

structed to proceed with whatever legal remedy it may have.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mayor Gillen: The next hearing is on the amendment to the Zoning ordinance. It seems at the hearing of the Zoning Commission this morning, the fact was brought out that Haynes Avenue was going to run right through the plot of the Balbach Smelting Company, and I think we should hold the matter over for one week.

Commissioner Archibald moved that action on "An ordinance to amend an ordinance entitled, 'An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions,'" adopted December 31, 1919, be postponed for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr. Doolittle, 273 Grafton Avenue, Newark, representing Mrs. Schoolmaker, of 273 Grafton Avenue, ap-

peared before the Board and stated he had two petitions signed by the original signers of the first petition for the Forest Hill Storm Water Sewers, and at the time they signed the first petition they were under the impression that it was only proposed to install catch basins, but that it now develops it is the intention to construct a new sewer system, and that the majority of property owners were opposed to the new sewer system, because there was no urgent need of it at this time. Mr. Doolittle stated his petitions contained the names of 91 property owners representing 8,500 feet, or over 80 per cent. of property owners who were opposed to the construction of this sewer and requested that it be laid over.

The following communication was received and read:

Board of Education
South Side High School
Newark, New Jersey

April 19, 1920.

Hon. Charles P. Gillen,
Newark, N. J.

My dear Mayor:

The question of laying a storm sewer through a section of Forest Hill will come up at a meeting of your honorable body next Thursday morning. I wish to state that nearly every resident affected by this sewer has signed a protest against its installation.

Some people asked for relief but they expected to have corners just connected with the sewer already laid, but the construction of a new sewer is opposed by all as it is too expensive, especially at the present time.

Very truly yours,
T. J. KENNEDY.

Ordered received and filed.

Commissioner Raymond moved that further proceedings on "An ordinance to provide for the construction of a system of sewers to be known and designated as 'Forest Hill Storm Water Sewers' be abandoned, and that the ordaining clause of the ordinance be stricken out."

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr. R. W. Roemer, representing the Central Railroad Company of New Jersey, appeared before the Board and objected to the proposed Roanoke Avenue Sewer, stating under the present plans for the sewer it would be an encroachment on the right of way of the railroad property, and that the laying of the sewer under the railroad tracks might make it bad for future improvements by the railroad.

The following communication was received and read:

Post Office Department
Second Assistant Postmaster General
Washington

April 28, 1920.

Mr. W. J. Egan, City Clerk,
c/o Board of Commissioners,
Newark, New Jersey.

My dear Mr. Egan:

I am in receipt, through the Manager of the Air Mail Service at Heller Field, Newark, of the text of a proposed ordinance, with the information that a public hearing will be granted on same in Newark on April 29th.

In my opinion, the provisions and spirit of the proposed ordinance in general are moderate and commendable. I would respectfully suggest, however, that the altitude of 4,000 feet is unnecessary, for the reason that at an altitude of 2,000 feet a pilot with motor trouble or losing his power entirely would be able to glide more than one mile to some open plot of ground, and for personal safety he will always pick the largest free space that he can find. In the event that his plane should get completely out of control and fall to the earth, 4,000 or even 6,000 feet will not prevent a crash to the earth.

Section B of the proposed ordinance is an excellent regulation, as is Section C, prohibiting planes from passing over the central portion of the city. I might call attention to the fact that the enforcement of Section C makes the requirement of a 4,000 feet altitude in Section A further unnecessary. I believe a minimum altitude of 2,000 feet, where flying over the central part of a city is prohibited, is ample. There is a practicable flying reason for this also. Fair weather and cloudless areas may often be found at 2,000 feet, whereas at 4,000 feet the pilot may lose himself in comparatively low hanging clouds or battle in bumpy winds.

Section D, relating to throwing advertising or other matter out of planes, Section E, regulating night flying, and Section F, prohibiting stunt flying except under permit, are excellent provisions.

While, under the Federal statute, the expeditious transmission of mails is reserved to the Federal Government, the Post Office Department takes pride in its policy of always endeavoring to adjust its operations to the sentiment and legal restrictions governing the citizens of a community in which it

operates, and should the City Council of Newark enact such an ordinance as indicated in the text submitted to us, all employees of the Air Mail will be directed to observe it in good faith, and the Department will assist the authorities of Newark in its enforcement.

Sincerely yours,

OTTO PRAEGER,

Second Assistant Postmaster General.

Ordered received and filed.

Commissioner Brennan moved that an ordinance entitled "An ordinance to regulate aviation and the use of aeroplanes, flying machines, balloons and all other apparatus used for the purpose of navigating the air in and over the City of Newark," be laid over for one week, and that a copy of the communication be furnished to the Mayor, Law Department and the Director of Public Safety.

The roll being called, the motion was declared adopted by the following votes:

Yeas -- Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Dr. W. G. Hanrahan, 36a Fulton Street, Newark, appeared before the Board and stated he represented two organizations having a membership of one thousand, representing the rank and file of the citizens of the City of Newark, and that they felt the Legislature had failed to do anything to relieve the housing problem; and requested the Commission to urge upon the Legislature the necessity of passing legislation to relieve the present housing problem. Dr. Hanrahan also stated that the Board of Education had closed the public schools for meetings

of public forums and requested the Board to take action to see that public schools were available for public forums.

Mr. Landeberg, Secretary of the Tenants League, appeared before the Board and also requested that the Board use its influence with the Legislature to pass legislation to prohibit indiscriminate landlords from dispossessing people from their homes, and also to urge the passage of a law which would permit the city to float a Million Dollar Bond issue with which to erect homes to relieve the present housing conditions.

Dr. Noah Geiger, 491 High Street, Newark, also appeared before the Board, and requested the Commission to urge the Legislature to pass House Bill 365.

Commissioner Raymond moved that a telegram be sent to Governor Edwards requesting him to urge the Legislature to pass House Bill 365 and other bills tending to relieve the housing conditions, and that a committee representing the city visit the Governor.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mr. Henry Hebel, 550 Bergen Street, Newark, also appeared before the Board and urged the Commission to pass ordinances to curb rent profiteers.

Dr. Hanrahan then presented the following resolution, which was read by

the clerk and urged the passage of a similar resolution by the Board:

WHEREAS, There is a crisis caused by the shortage of dwellings bringing much distress and hardships to our people, and

WHEREAS, Our state budget is approximately One Hundred Million Dollars and our city budget is approximately Fifteen Million Dollars and not One Dollar apportioned by state or city for our greatest need, viz: dwellings,

THEREFORE, BE IT RESOLVED, We members of the Rent Payers' Association, The Tenants' League, and other citizens here assembled respectfully request our City Commission to submit by referendum on ballot next November election to

Request Legislature to pass a law for five years' period allowing the City of Newark to procure land, build, rent and sell modest priced dwelling, and further

Request the Legislature to pass a law that will allow the City of Newark to sell One Million Dollars worth of bonds, said bonds to be exempt from state, county and city tax and not be charged against our debt limit. The money so raised to be used to acquire land, build, rent and sell modest priced dwellings.

Respectfully submitted,

WILLIAM G. HANRAHAN,
President, Rent Payers' Ass'n.

MAURICE ROSENKRANZ,
President, Newark Tenants' League.

Dated, Newark, N. J., April 28, 1920.

The above resolution to be effective in case the present Legislature fails to act upon the splendid recommendation made by the Governor in a special message to the Legislature, April 28th.

WILLIAM G. HANRAHAN,
President, Rent Payers' Ass'n.

WHEREAS, By an ordinance adopted January 9, 1919, a franchise to operate auto buses in the City of Newark was granted to General Omnibus Company of New Jersey; and

WHEREAS, After the adoption of said ordinance a writ of certiorari was allowed by the Supreme Court of New Jersey, which acted as a stay; and

WHEREAS, By paragraph "F" of Section 2, of the ordinance granting the franchise to operate auto buses upon the street of the City of Newark, it was provided as follows:

"The company shall commence operation within six (6) months from the date on which this consent is accepted by them, provided that such period may be extended by the Board for a period or periods not exceeding in the aggregate eight months (8) from the granting of this consent, and provided further that if the commencement of said operation shall be prevented by legal proceedings in any court or by works of public improvement or from other causes not within the control of the company, the time for the com-

mencement of such operation may be extended for the period of such prevention."

And,

WHEREAS, Said writ of certiorari has now been vacated by the Supreme Court; and

WHEREAS, By reason of the delay caused by the court proceedings, it is represented to this Board by the attorneys of General Omnibus Company that owing to the scarcity of labor and materials the manufacturers with whom said company are dealing have been unable to make delivery within the time within which operations under said ordinance should commence, to wit. May 1, 1920; and

WHEREAS, Said General Omnibus Company has made application to this Board for an extension of time, until July 1, 1920, within which to commence operations, as provided for in said ordinance granting said franchise; and

WHEREAS, Said request, in the opinion of this Board, is reasonable;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark that an extension of time, until July 1, 1920, be and the same is hereby granted to General Omnibus Company within which to commence operations under the ordinance granting it a franchise to operate auto buses upon the streets of the City of Newark.

Ninety Worth Street,
New York, April 20th, 1920.

Dear Mayor Gillen:

I enclose formal invitation requesting you and the State Commissioners to review the Sixth Regiment from the City Hall at four o'clock on Saturday afternoon, May 15th.

This will be the first time the regiment has been assembled and I am most anxious for you to take this first review. I presume you will invite such other city officials as you, in your judgment, may think best.

I have requested the adjutant to secure the necessary permission to parade. The authority for assembling the regiment has been granted by the adjutant-general.

I hope you can see your way clear to honor the regiment on this occasion.

Sincerely yours,

HOWARD S. BORDEN,
Colonel Commanding.

Hon. Charles P. Gillen,
City Hall, Newark, N. J.

Young Men's and Women's Hebrew
Association,

228 Washington Street,

Newark, N. J., April 21, 1920.

City Administration,
Newark, New Jersey.

Friends:

The Young Men's and Young Women's Hebrew Association are going to hold the largest Jewish affair in the history of the City of Newark. On Wednesday evening, May 5th, in the First Regiment Armory, the two organizations will be the host and hostess to Newark's Jewry, only five days before our large drive for half-a-million dollars.

We feel that the members of your organization should be with us. For that reason we have set aside the use of Box "O" for your exclusive purpose, and it shall be used only by members of your organization. If you desire to have your banner or appropriate decorations on the box, we shall be glad to co-operate with you in fixing it up.

Kindly respond to the undersigned so we can know what action to take in this matter.

For the success of the half-million dollar drive for the Home of Newark's Jews.

Sincerely and fraternally yours,

THE DANCE COMMITTEE.

Herbert R. Abeles, Chairman.

The Board of Commissioners of the
City of Newark,

City Hall, Newark, New Jersey.

Honorable Sirs:

I hereby respectfully report to you that on Tuesday night, April 27, 1920, I suspended William Cavanaugh, a clerk in my office.

This action on my part was necessary for the following reasons:

Mr. Cavanaugh had been instructed by Mr. Martin G. Bross, Chief Clerk of my office, by my direction, to report for duty in connection with the Primary Election being held on that day at 6:30 in the evening, and to remain in the office until 9:00 P. M.

Mr. Cavanaugh appeared at the office at about 8:30 or 9:00 P. M. in an intoxicated condition. I was not in my office on the second floor when he first put in his appearance, but was in the basement in connection with the election work. Mr. Bross, however, was in the office, and upon investigation I found that Mr. Cavanaugh became very abusive to Mr. Bross and to other clerks in the office, and failed to perform the duties assigned to him by Mr. Bross.

I was acquainted with the situation by Mr. Bross and immediately went to the office where Mr. Cavanaugh was located, when he immediately

used very abusive and indecent language to me, and upon my trying to calm him and call his attention to the fact that he was in a public office and was on duty as a city employee he only became more abusive.

Mr. Cavanaugh's actions were of such a nature that I deemed it advisable to have him examined by Dr. J. Henry Clark, the police surgeon, and upon his appearance at the office Mr. Cavanaugh endeavored to prevent Dr. Clark from examining him and struck the doctor. Dr. Clark pronounced him suffering with alcoholism and ordered him taken to the City Hospital by a police officer, for whom he had telephoned personally.

I immediately suspended Mr. Cavanaugh and I hereby prefer the following charges against him:

1. Appearing at the office of the City Clerk, of which he is an attache, for the performance of duty, in an intoxicated condition.

2. Failure to perform duties assigned to him as clerk in the City Clerk's office.

3. Using abusive and indecent language to the City Clerk, the Chief Clerk and other clerks in the City Clerk's department.

4. Insubordination.

While I regret the necessity of preferring these charges, I feel that I am compelled to do so in order to maintain proper discipline in this department.

Very truly yours,

W. J. EGAN,
City Clerk.

Mayor Gillen. What is the procedure in this case?

City Counsel Congleton: The proper procedure would be to ratify the action of the City Clerk in suspending him on Tuesday night and that his suspension be continued until such time as you have had an opportunity to investigate it; then take such action as you deem proper. He does not have to be given a formal trial. If upon investigation you decide he should be removed or the suspension continued you notify him, setting forth the reasons in writing, giving him a reasonable time in which to reply, then send the papers to the Civil Service Commission. Persons in the classified service do not have to be given a trial by the Board. That is up to the Civil Service Commission.

Commissioner Monahan moved that the communication of the City Clerk be received and filed, the suspension continued and the matter be taken up for investigation by the Board.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

First Criminal Court of the City of
of Newark,
Washington and Court Streets,

Newark, N. J., April 26, 1920.

Hon. William J. Egan, City Hall,
Newark, N. J.

Dear Sir:

I have just received a list of those eligible for appointment as Deputy Clerks in the Criminal Courts and in

accordance with the statutes applying to the same I hereby inform you that I have appointed David Bernheim, of 57 Charlton Street, Newark, N. J., as Deputy Clerk of the First Criminal Court, and ask you to communicate the same to the Commissioners of the State.

Yours very truly,

M. J. QUIGLEY.

Commissioner Brennan moved that the communication be received and that Judge Quigley be advised that the appointment has already been made.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mrs. Bennett, 16 Montgomery Street, Newark, appeared before the Board and urged that something be done to curb landlords in their demands for exorbitant rents, stating she had been served with a notice to

move and has been unable to find a place to move into.

Mayor Gillen suggested that she take her cause up with the Law Department and that they would do everything in their power to aid her.

Commissioner Archibald moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

APPROVED:

CHARLES P. GILLEN,
THOMAS L. RAYMOND,
WILLIAM J. BRENNAN,
A. ARCHIBALD,
JOHN F. MONAHAN.

Board of Commissioners,
The City of Newark, N. J.

W. J. EGAN,
City Clerk.
